THE MINISTER OF FINANCE (SHR1 P. CHIDAMBARAM): (a) and (b) The prices of commodities are generally determined by market forces and depend on a multiplicity of factors, of which duty of excise or customs is only one. The Government have not made any detailed study of the extent to which the reduction in excise and customs duties offered in the budgets have been passed on to the consumers and to what extent the benefits are concerned by the manufacturers, importers and other players in the field.

(c) There is no legal mechanism to ensure reduction in price to the extent of reduction in duty of excise or customs, where there is no price control and it may not be feasible to enforce the same through legal mechanism.

Quality Control in Blood Banks

1187. SHRI IQBAL SINGH: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of private/Government blood banks functioning at present in the country; and

(b) what steps are being taken by Government to maintain quality control in the blood banks?

THE MINISTER OF STATE OF THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI SALEEM IQBAL SHERVANI): (a) As per the information available, there are 499 private blood banks and 834 Government blood banks functioning at present in the country.

(b) For ensuring safety of donated blood, Drugs & Cosmetics Act/Rules provides for mandatory testing of blood for blood transmissible diseases namely Hepatitis, HIV/AIDS, Syphilis and Malaria. The licensing of blood banks has been brought under dual authority of State and Central Government since 1993. The Drugs Controller (India) is now the Central License Approving Authority. A joint inspection of the blood banks is carried out by Central and State Inspectors before approving the license to blood banks.
